Court for the Relief of Insolvent Debtors at Calcutta.

In the matter of ALEXANDER COLVIN At a Court held on Saturday, the ^{Seventeenth day} under the Style and Firm of COLVIN of May, One Thousand and Company. In solvents, and Eight Hundred and four before the Hon'ble Sir John Peter Grant Knight Justice of the Supreme Court, It appeared that the said Insolvents, by petition presented to this Court on the Twenty-second of March last past, had prayed under the Sixtieth Section of the Statute (9, Geo. IV Cap. 72) entitled "An Act to provide for the relief of Insolvents in the East Indies," to be for ever discharged from all liability whatsoever for and in respect of all debts established in this Court; and to their said Petition was annexed Lists, purporting to be of Creditors of the said Insolvents consenting to the discharge prayed for, to the amount of more than one half of the Debts so established.

And it having been referred to Patrick O'Hanlon, Esquire, the Examiner of this Court, to Enquire and Report whether the several debts set forth in the Schedules filed by the said Insolvents on the Thirtieth of August and Twenty second of March last past have been established to the satisfaction of the Assignee of the Estate and Effects of the said Insolvents, and whether the said lists of consents contain consents of Creditors to the amount of more than one half in number and value of the debts so established — and whether such of the said consents as have been given under Powers of Attorney have been given under Powers of Attorneys duly executed, and containing sufficient powers to warrant such consents.

And that the said Examiner had Reported that the Assignee in this matter had certified to him that the debts of the said Insolvents, as set forth in their said Schedules, had been established to his satisfaction.

And that the said lists of consents contained more than one half in number and value of the debts of the said Insolvents, as so established, and that the Powers of Attorneys under which such consents as were given under Powers of Attorney were duly executed, and contained sufficient powers to warrant such consents.

The Court confirmed the said Report of the Examiner, and declared that the said Insolvents had acted fairly and honestly towards their Creditors.

It was Ordered,

"That the Assignee of the Estate and Effects of the said Insolvents so soon as such progress shall have been made in the affairs of the Estate of the said Insolvents as that no further proceedings shall be necessary to be had in this Court, in the matter of the Petition of the said Insolvents, praying for the benefit of the said Statute for the relief of Insolvent Debtors, which Petition is before this Court, do report the same to the said Examiner, who shall forthwith lay the same report before this Court."

"And it was further Ordered, that all further Orders touching the matter contained in the prayer of the said petition of the said Insolvents, filed on the Twenty-second day of March last past, be reserved until after the said Report shall be made and laid before this Court."

Notice whereof is hereby given.

SEA CUSTOM HOUSE NOTICES.

TO protect from IMPOSITION such Persons as are strangers in Calcutta, and who employ Natives to transact Business for them at this Office, it is notified, that for every sum taken, as Government Customs or Duty, a receipted Bill is given under the signature of the Collector, or of his Deputy, or his Covenanted Assistant.

INDIGO. Applications for Certificates relative to portions of Indigo, being less than 100 Maunds, remaining unexported under each Bond, and also Applications for Renewed Bond, when the quantity remaining unexported amounts to 100 Maunds, or more, must be made at least 15 days prior to the expiration of the currency of the Bonds in question. In failure, all such Applications will be peremptorily rejected, and Indigo Bonds will be adjusted in pursuance of the Conditions specified in them, and of Orders from the Board of Customs, dated 14th November, 1823, and 2d January, 1826.

CLEARANCES, whether Inward or Outward, can be given only IN REGULAR TURN, and it is for Commanders, or others on their part, to see that their Applications be duly noted with the date and hour of receipt by the Supervisors respectively. Applications for Outward Clearance (or Export Manifests) cannot be received, unless accompanied by Certificate of Inward Clearance, and it is required that such Applications be presented at least Five complete days previously to the date on which PORT CLEARANCE is desired, in order that time may be allowed for the adjustment of Export Cargos; though it will be issued earlier if practicable. [N. B. By Order of Government, dated 16th January 1829, these Rules are equally applicable to the H. C.'s Regular and Chartered Ships.]

No FEES are taken for any AFFIDAVITS sworn in this Office on the subject of Custom House Business; nor are any FEES whatever allowed to be taken by any Persons belonging to this Establishment, whether sitting within the Office, or stationed out of doors.

Importers of GUN POWDER, are requested to refer to the Notification, by order of the Board of Customs, dated the 18th, and published in the Government Gazette of 23d January, 1823.

The Proprietors of DOCK YARDS, and the PUBLIC at large, are requested to take notice, that no Goods, nor Packages, are allowed to be IMPORTED, EXPORTED, RE-LANDED, RE-SHIPPED, TRANSHIPPED, or removed from VESSELS to SLOOPS or BOATS after Shipment, without due sanction from this Office;—whether the same be liable to, or exempt from DUTY. Attention is directed to Clause Seventh, Section XLV. to Sections LXI LXIV. LXXIV. LXXXII. LXXXIII. & LXXXIV. of Regulation IX. 1810; and to Section III. of Regulation III of 1830;—also to Clauses IV. and V. of the Government Notification of 28th June 1822, for Conditions of certain exemptions.

G. J. SIDDONS, Collector Govt. Customs.

Calcutta, 20th March, 1830.

SEA CUSTOMS.

NOTICE is hereby given, that if Goods passed through this Office for a specified Vessel, be taken, directly or indirectly, and put on board of any Vessel other than that for which the said Goods have been passed through the forms of this Office, no Drawbacks, nor Certificates for other Presidencies, will be granted. And if such Goods be seized in illegal transit to, or when alongside of, a Vessel other than that for which they have been passed through this Office, they will be liable to eventual confiscation under Section III. Regulation III. of 1830.

If Goods which have been passed for a specified Vessel, cannot, for whatever reason, be taken on board that Vessel, and are fairly brought back to the Custom House for Re-land and subsequent Re-Export to the same Vessel, or to any other, or for regular Transhipment, every facility will, as usual, be afforded for such transactions.

By Order of the Board of Customs,

G. J. SIDDONS,

Collector of Customs.

Calcutta Custom-House, the 28th September, 1832.

CALCUTTA CUSTOMS.

SEA DEPARTMENT.—If Goods are Exported in full of Revenue then current; but are Re-landed, and not, subsequently Re-exported until after the Rowanahs are time-expired; then such Goods are considered as fresh Exports, are treated as if they had never been protected by

Rowanahs, and Duty is taken, if any be leviable on such Goods under the Regulations. But upon request made on the face of Re-land Applications (not otherwise) parties will be furnished with Certificates giving particulars of Rowanahs, in order that they may be fully aware of the dates on which those Rowanahs will become time-expired; and such Certificates will have the force and validity of Rowanahs for any remaining period of the currency of the latter. If Exchange Rowanahs be required, they will be granted on application, with reference to the Provisions of Sections XXVI. and XXVII. of Regulation IX. of 1810. If Rowanahs shall have become time-expired between the date of Original Export, and that of Re-land, then no such Certificates can be granted; and the Goods in question will, if brought for Re-exportation, be treated as fresh Exports.

If Goods are Exported only in part, and not in full, of the quantities specified in Rowanahs, then those Rowanahs remain in the hands of the Parties concerned; and in the event, consequently, of such portions of Goods being Re-landed, no such Certificates as those above described will be issued.

By Order of the Board of Customs, dated 26th February, 1833,

G. J. SIDDONS, Collector.

28th February, 1833

But by order of the Board of Customs dated 2d April 1833, to obtain Maffee Rowanahs for Goods of such sorts as are produced in this country, (and then are liable to Transit Duty) as well as Imported by Sea, either Sea Import No. and Date must be given, or whole despatches must be produced for inspection at the Custom House;—otherwise Transit Duty will be charged.

All Applications for MAFFEE ROWANAHs, must communicate the following particulars.—1st. The general or common name of each variety, or quality of Goods.—2d. The quantity and value of each description.—3d. The sort of packages in which the Goods are contained, with the marks or directions upon them.—4th. The number of each sort of package.

Parties desirous of benefiting by this arrangement will make known their intention to this Office, when they will be informed of the Conditions to which, for the protection of the Public Revenue, it is required that they should conform.

It is to be understood, that the present relaxation of the existing law is liable to be revoked, if found to be productive of abuse.
